TOMAS HIRSCHRELD AND FACSS STUDENT AWARDS CALL FOR APPLICATIONS 2010

The Tomas Hirschfeld Scholar(s) and the FACSS Student Awards recognize the most outstanding papers submitted to FACSS by a graduate student. Recipients will receive financial support to help them attend the FACSS Conference. In order to have your presentation considered for a Tomas Hirschfeld Scholar Award or FACSS Student Award, students should submit their abstract using the FACSS web site submission form and indicate on the dropdown menu on the form their interest in these awards.

The submission process involves completing this form and submitting **three** sets of the following:

- a) this form;
- b) 250 word abstract of the proposed presentation for the FACSS conference;
- c) two letters of nomination, one by the student's mentor. An explanation of the inventive contributions by the student to the work should be given. Creativity was a primary characteristic of Tomas's work, and thus should be a characteristic of the awardee.
- d) a copy of the candidate's résumé;
- e) a copy of the candidate's graduate transcript;
- f) copies of reprints and/or preprints of research accomplished.
- g) The recipients will be included in a session highlighting young scientists and their work.

Deadline April 30, 2010.
